

Quality Payments: Safeguarding requirement

Community pharmacy contractors may be required to provide evidence to local NHS England teams to show that they have met the Quality Payments criteria. This table can be used to record details of those pharmacists and pharmacy technicians (pharmacy professionals) who have achieved level 2 safeguarding status for children and vulnerable adults.

It would be advisable to also retain copies of certificates when members of staff achieve their level 2 safeguarding status.

Member of staff or locum's name	Details of course completed to achieve level 2 safeguarding status for children and vulnerable adults	Date course completed
