1. Introduction

This agreement set outs the framework for the dispensing of palliative care drugs during normal hours from a community pharmacy, and has been agreed with Community Pharmacy North Yorkshire (North Yorkshire LPC). The implementation, administration, monitoring and review of this agreement is the responsibility of NHS Vale of York Clinical Commissioning Group, or any organisation that takes over the functions of this CCG.

2. Signatures

This document constitutes the agreement between the pharmacy contractor and the CCG in regards to the above Service Level Agreement for the 12 months 1st April 2017 to 31st March 2018. We agree to abide by the conditions laid out in the agreement:

Name of the Pharmacy contractor:		
Signature of behalf of the Pharmacy contractor	Name (please print)	Date
Signature of behalf of NHS Vale of York CCG	Name (please print)	Date

3. Aims and Objectives

- 3.1. This service aims to ensure that palliative care medicines are available during the participating pharmacy normal working hours.

4. Service Specification

- 4.1. Community Pharmacists – owners or managers agree that their name be included in a list of names maintained by CCG and provided to all pharmacies, GPs, nurses and palliative care providers
- 4.2. The pharmacists included in this scheme will be contracted to hold a minimum stock of an agreed range of palliative care medicines as outlined in Appendix A, Part A – ‘Basic Level Provision’. This is the stock available from ALL participating pharmacies.
- 4.3. In addition to the basic level provision there will be ONE Pharmacy that will also hold the ‘extended level provision’ stock – Appendix A, Part B. This pharmacy will be identified by the CCG and the details of this pharmacy will be communicated with all relevant parties.

5. Process - Pharmacy Contractors

- 5.1. The pharmacist will:
 - 5.1.1. In circumstances where they are unable to supply promptly the item(s) will direct the patient or carer to the nearest Enhanced Provider checking first that they have the supply in stock. They will also inform the CCG that they were unable to supply the medication.
 - 5.1.2. Where requested, the pharmacist will provide advice to the health care professional regarding the prescribing or dosage of palliative care medicines that should be administered to a patient.
 - 5.1.3. Agree to participate in any audit of the scheme as necessary to ensure stocks are available as stated.
 - 5.1.4. Submit the dispensed prescription to the PPD in the normal way.
 - 5.1.5. Ensure they are familiar with the local palliative care guidelines supplied by the CCG and will undertake any other training as appropriate to meet their own CPD needs.
 - 5.1.6. Use his/her professional judgement and take sole responsibility for any supply made outside the specification set out in this service level agreement.

6. Quality Indicators Pharmacy Contractors

- 6.1. The pharmacy contractor can demonstrate that pharmacists and staff involved in the provision of the service have undertaken CPD relevant to this service and are aware of and operate within local protocols. There is a CPPE distance learning course on Palliative Care that can be undertaken to assist in fulfilling this quality indicator.
- 6.2. The pharmacy contractor reviews its Standard Operating Procedures and the referral pathways for the service on an annual basis.

7. Quality Indicators CCG

- 7.1. The CCG will:
 - 7.1.1. Ensure all pharmacies, GPs, nurses and palliative care providers within the locality are made aware of the pharmacies providing the Enhanced level of service.
 - 7.1.2. Supply local palliative care guidelines.
 - 7.1.3. Undertake to reimburse the pharmacy at the cost for the stock of medicines included in the agreed Palliative Care stock list for those which have become time expired provided normal stock rotation procedures have been followed within the pharmacy. Stock will be reimbursed at either Drug Tariff Price/ dm&d browser price/ C&D price PLUS VAT.

8. Financial Details

- 8.1. A £50 per annum retainer fee will be paid to the pharmacy contractor participating within the scheme.
- 8.2. For the period 1st April 2017 – 31st March 2018 the CCG will pay £50 to the participating pharmacies. There will be a pro rata payment for pharmacies that join the service part way through the financial year.
- 8.3. The retainer will be paid automatically on completion of data added to PharmOutcomes regarding confirmation of batch numbers and expiry date of all the required stock – as detailed in Appendix A. Pharmacists are also requested to email a copy of the completed Appendix B to the CCG Lead Pharmacist.
- 8.4. The pharmacy contractor is required to order the stock in specifically for the palliative care scheme and provide batch numbers and expiry dates to the CCG for each item. Complete and submit via PharmOutcomes at the start of the service.

- 8.5. For any date expired stock the pharmacist will submit a claim form (Appendix C) giving details of the items expired, for the attention of the CCG Lead Pharmacist.

9. Monitoring Arrangements

- 9.1. The CCG will periodically monitor the stock levels held by pharmacies.
- 9.2. The CCG will also monitor any claims for date expired stock.

10. Termination of Contract

- 10.1. This agreement will run for a period of 12 months, until 31st March 2018. However during this period, it may be terminated by either party by giving three month written notice.
