## Newsletter - York Drug and alcohol service update

Hello,

The drug and alcohol contract has now successfully transitioned across to Changing Lives and Spectrum. We would like to invite you and your colleagues to attend a consultation event. This event is specifically arranged for our pharmacy partners to take some time to explore your experiences and thoughts on current service delivery and how you feel we can develop the work in the city to best meet the needs of people we are all helping.

The event will be at the city of York councils West office on the 22<sup>nd</sup> February between 17.30-19.30 and there will be refreshments provided.

If you can attend could you please confirm your attendance via email to [Kirsty.Elliott@changing-lives.org.uk](mailto:Kirsty.Elliott@changing-lives.org.uk)

We will summarise and share the learning from the event afterwards to all of our partners but hope to see you there to help us develop the service offer for people in York.

We hope that during this transitional stage you experience the service as business as usual, we have the same location and staff which hopefully contributes to a smooth transition. However, if you do experience any issues please get in touch with:
