

## Have you been asked to sign up for an Internet Pharmacy to supply your prescriptions?

**You should be aware of the following:**

Items are delivered by post - not a same day courier, so delays can occur. You may be required to be at home to receive and sign for the delivery of your medicines.

### Community Pharmacy v Online Pharmacy

Service	Community Pharmacy	Online Pharmacy <small>realistically may not, or will not be able to provide</small>
Dispense Liquid Medicines	😊	😞
