

AGM

**Wednesday 6th June 2018
York Sports Club,
Clifton Park, Shipton Road, York, YO30 5RE**

**WE WELCOME ALL CPNY COMMUNITY PHARMACISTS AND TECHNICIANS TO
OUR
ANNUAL GENERAL MEETING**

Food and refreshments will be available from 6.15pm

**The guest speaker this year is Dr Gill Hawksworth (Locality Lead),
Royal Pharmaceutical Society**

Gill will address the meeting on the subject of:

“Revalidation and Peer Discussion”

**Attendees will undertake a
peer discussion with a colleague on the night**

You need to write up a conversation you had with a peer about your practice. Talk to your peer in person, online, over the phone, in a video call... however you like.

It is the intention of the event to pair attendees so you may undertake a peer discussion with each other. You can talk about your practice as a whole or focus on just one aspect.

You can then write this up later ensuring it covers:

- Why you chose this peer
- How the discussion helped you reflect on your practice
- What you changed as a result
- How that change benefited the people using your services

PLEASE REGISTER YOUR INTEREST IN ATTENDING BY EMAILING: laura.smart@cpny.co.uk

**We require the name/s of every attendee and your exact numbers due to catering arrangements
and the high demand in places for this significant event.**

BOOK YOUR PLACES NOW TO AVOID DISAPPOINTMENT!
