Dear Jack,

Re; Service Level Agreement; Sharps disposal 1st September 2016

Further to previous communications regarding 3 yearly review of the above agreement. Following review I can confirm that the Council would like to continue with the agreement. I understand from your email dated 19th June 2019 that Community Pharmacy North Yorkshire would also like to continue with the agreement at the same terms.

Should you require any clarification with regards to this matter please do not hesitate to contact myself directly.

Yours sincerely
