

Is your local pharmacy meeting all your needs? **Tell us your views**

Share your experiences and help your NHS pharmacy improve its services for people in North Yorkshire

Healthwatch York and Healthwatch North Yorkshire are working alongside Community Pharmacy North Yorkshire.

We want to know what you think. Which services do you use the most? What works well and not so well? What could be done to improve things?

The survey is open until Friday 16 June, 4pm.

Scan the QR code to take the survey
Printed copies are available to fill out in person –
speak to your local pharmacy staff.
