Would you like us to come and give you  
free fire safety advice at home?

**Book a Home fire safety visit today**

The visit involves us coming to your home  
to offer fire safety advice, including:

- how to reduce and prevent fires
- looking at any possible fire risks  
in your home
- information about bedtime  
routines to help keep you  
safe at night
- helping you to think about an  
escape plan

smoke alarms and know  
how to test them

As well as giving fire safety information we can also give advice about health and wellbeing. This may include where to find support and further advice on:

- giving up smoking
- avoiding falls
- keeping your home warm
- living with dementia
