

Step Into Clinical Practice: Develop Your Role as a Community Pharmacy Technician

Unlock your potential. Expand your skills. Shape the future of Community Pharmacy.

Are you making the most of your knowledge and expertise as a Pharmacy Technician?

Are you ready to broaden your scope of practice, deliver clinical services, including supporting the safe and effective delivery of services under Patient Group Directions (PGDs)?

Would you like to connect with fellow Pharmacy Technicians, share experiences, and build a supportive network as you develop your clinical role?

Join Humber LPC for an interactive development event on Tuesday, the 22nd of September 2026 at the Mercure Hotel, Willerby.

This engaging event will help you understand the current and upcoming regulatory changes that are shaping the role of Pharmacy Technicians in Community Pharmacy.

What to expect

- Learn about the expanding clinical role of Pharmacy Technicians.
- Explore the growing range of clinical services you can support and deliver, including the opportunities created by the new legislation enabling Pharmacy Technicians to supply and administer medicines under Patient Group Directions (PGDs).
- Gain practical insights through interactive case-based scenarios.
- Discover useful resources to support your professional development.
- Meet like-minded colleagues and build a local peer support network.

Why attend?

Developing your clinical practice is about more than gaining new skills, and employability — it's about building confidence, supporting your wellbeing, and becoming part of a community that will help you thrive throughout your professional journey.

Take the next step in your career and be part of the future of Community Pharmacy.

Book your place here by email humber.lpc@nhs.net and provide your full name, role, contact email address, telephone number and any dietary requirements.
