

Designated Prescribing Practitioner (DPP) Training Course

The DPP training course equips Designated Prescribing Practitioners with the knowledge, skills and confidence to provide high-quality supervision, support safe prescribing and develop the next generation of prescribers.

5 SCAFFOLDED MODULES

Why choose our DPP course?

- ✓ **ROBUST** – Evidence-based, mapped to national standards and frameworks
- ✓ **RELEVANT** – Designed with input from experienced DPPs and clinicians
- ✓ **ACCESSIBLE** – Clear, engaging and inclusive for all learners
- ✓ **FLEXIBLE** – Blended approach to suit busy healthcare professionals
- ✓ **SCAFFOLDED** – Progressive learning to build knowledge and confidence
- ✓ **FOCUSED** – Practical application to improve supervision and patient safety
